

# COUNTY PRESS NEWSPAPER

P.O. BOX 249 • 3732 West Chester Pike • Newtown Sq., PA 19073  
• (610) 356-6664

Dear Marple Newtown High School Parent:

The County Press is your community newspaper. It covers all facets of life, government, politics, sports, features, and schools -- especially schools, in the Marple Newtown area.

We carry more Marple Newtown High School news and pictures than any other paper.

We want even more Marple Newtown High School news and have asked your PTO public relations person to give us more news and pictures about Marple Newtown High School happenings. Of course, we would like everyone, students, parents and teachers to read about school events in the County Press.

In line with this, we are offering the Marple Newtown High School Parents and Teachers Organization what we think is a fantastic promotion to raise money for the school by selling subscriptions to the County Press.

The normal price of the County Press is \$22 for one year.

We are offering Marple Newtown High School families a one-year subscription for \$20. The PTO would keep \$7.50 of every new subscription sold and \$3 for every renewal subscription. Of course, neighbors, friends and relatives could also be contacted to help make this school fundraiser a success.

**All current subscribers' expiration dates will be extended by one year through this offer.**

Please fill out the coupon and have the student take it along with a check made out to the County Press to his or her teacher.

Please attach the names of any additional subscribers on a separate sheet of paper.

Sincerely,

## **LIMITED TIME OFFER**

***Please respond by Oct. 31.***
