

Information concerning Swine Influenza

Marple Newtown School District has been following the information regarding the Swine Flu outbreak in Mexico as well as those cases in the United States. There are currently no confirmed cases of Swine Flu in Pennsylvania. The PA Department of Health has stated that there is no action to take at this time. The District will continue to closely follow recommendations from health officials and update our website as needed.

Updated information can be found at the following websites:

If you should have any specific questions regarding your child's health, please contact your child's health care provider. They are the most familiar with your child and thus are better able to detect changes and begin treatment if indicated.
