Physician/Parent or Guardian Authorization – In School Medication

PRESCRIPTION AND NON-PRESCRIPTION MEDICATIONS

District policy states that in order to give prescription drugs and over the counter (OTC) medications not provided in the Health Office, the School Nurse needs the following for each medication:

- A signed order from your child’s health care provider. The form below is provided for your convenience.
- Signature from parent/guardian
- Medication must be provided in the original properly labeled pharmacy prescription container or original properly labeled OTC container

It is the responsibility of the parent to obtain proper documentation.

The above requirements must be renewed every school year.

Parent/Guardian must bring medication into school – not the student.

Parents are encouraged not to send in (OTC) medications for the Nurse to administer unless specifically prescribed by your child’s health care provider.

Please note: Prescription or OTC medication that is not in the original container will not be permitted in school and cannot be carried by the student unless certain conditions are met. See your School Nurse for further information.
