RE: Adobe Creative Cloud

We have deployed a WebStore for your Adobe ETLA for your Faculty/Staff products.

Here is the link to the WebStore – <https://mnsdistrict.onthehub.com>

Please log into the site with your institutional issued email address using the following instructions:

Click on the Sign In link in the top right hand corner; click on the Register button right below the sign in box; you will be asked to enter your institutional issued email address with which you will be verified. Upon verification, proceed with the registration process and submit the form. An email will be sent to your account to confirm the address (this is to ensure that users are being verified with their profile and not trying to use another member's account to register).

Regards,
