

Methods of payment for Student Accounts:

There are several ways to place money into your student's meal account. You may pay with cash, check, or credit card.

When sending in cash, please place this in an envelope and include your student's name and room number on the envelope. We will credit your student's account.

When sending in a check, please be sure to include your student's name on the check as well as the amount. Please make the check payable to MNSD Food Service.

For your convenience, you may also visit www.schoolcafe.com and create an account. This will not only allow you to see what your student is purchasing daily at no charge, but offer you the service of paying by credit card.

Please note there is a \$1.95 service charge with each transaction with schoolcafé. This fee does not go to MNSD, but pays for the transaction costs. Also, you will receive daily reminders to replenish the account as needed. Please note: you DO NOT need to use this service; this is just a convenience to you.

Feel free to contact your Food Service Manager if you have questions or concerns.
